# VILLEROY & BOCH FROM GERMANY TO EGYPT

Villeroy & Boch is now in Egypt! You can find everything needed to turn any bathroom into a wellness oasis. You will be amazed to see how quickly a functional bathroom can be turned into a place of rest and relaxation for any customer. Since 1748, Villeroy & Boch has been shaped by the dedication of its founding families that developed an exquisite quality that makes the company the leader of its industry

Villeroy & Boch has developed into an international lifestyle aesthetic brand that adds the touch of elegance with exceptional quality to any home. Like very few other premium brands, Villeroy & Boch has understood how to preserve its identity while still moving with the times. Today, Villeroy & Boch produces innovative and stylish products to enhance people's lives, provide continuous inspiration and open up new horizons that are now available in Egypt

Villeroy & Boch Egypt's Bath & Wellness division possesses a comprehensive manufacturing and distribution system tailored to meet the needs of the Egyptian market. Our manufacturing facilities are focused on producing Villeroy & Boch Egypt products with exceptional quality, complemented by our extensive distribution channels. Additionally, Villeroy & Boch Egypt oversees all aspects of product distribution, logistics, communication, sales, and marketing for our bath and wellness products within Egypt.

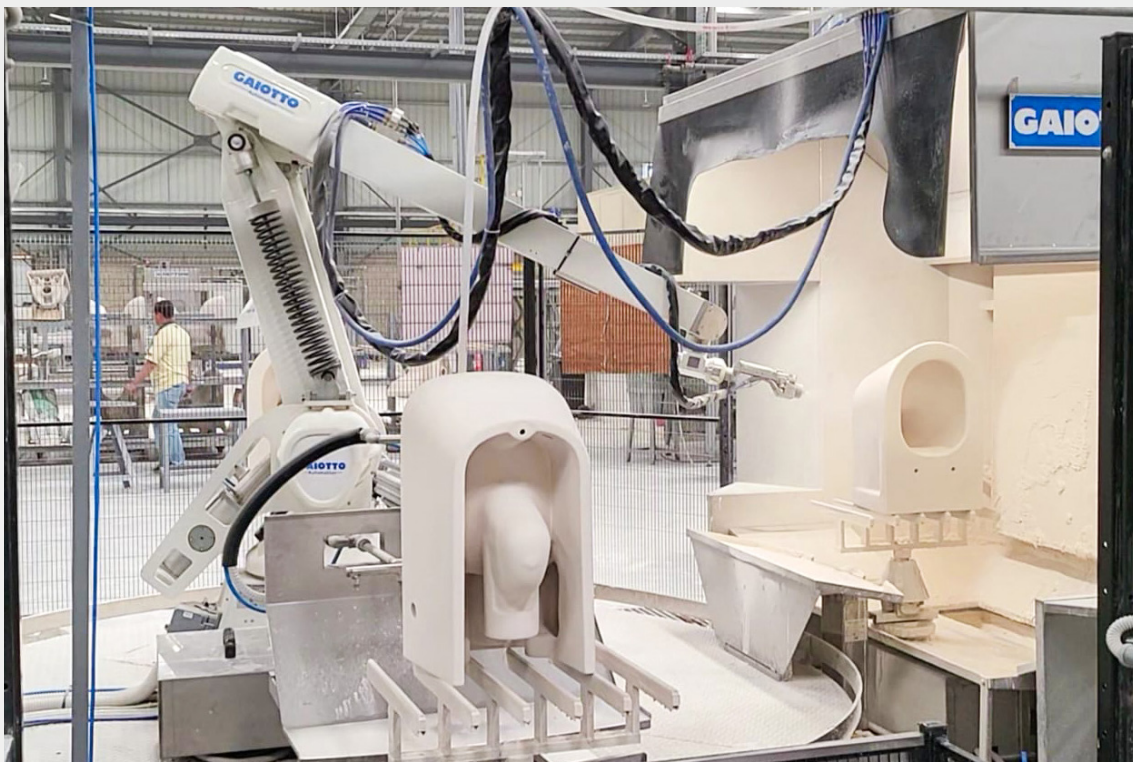

# VILLEROY & BOCH FACTORY IN EGYPT

Our factory is in Ain Sokhna/Suez & was found in 2018. Our vision is to provide a product of the highest standards & using skilled labor. We want people to find a suitable alternative to the products they see in European markets, produced by Egyptian hands and offering top-notch services.

We are committed to fostering innovation and quality, ensuring that every item we produce reflects our dedication to excellence. By leveraging the expertise of our workforce and the insights from our international collaborations, we strive to create products that not only meet but exceed the expectations of our customers.

Our focus is ensuring that our operations benefit the community and contribute to the local economy. As we continue to grow, we hope to inspire confidence in Egyptian manufacturing and become a leader in the global market.

*ViConnect installation systems*

## “ViConnect” installation systems for wall-mounted WC from Villeroy & Boch

Villeroy & Boch's proven ViConnect installation systems are easy to handle, quick to install and exceptionally stable. They offer very flexible adjustment options and the large contact surfaces allow easier cladding. Plastic tank is made by single bow technology which means that the plastic tank is one piece and offering zero risk of leakage. Together with the timelessly designed flush plates, ViConnect offers a single-source, complete and reliable solution for any construction scenario – even for retrofitting.

# TOILET INSTALLATION SYSTEM

## PRODUCT INFORMATION

### Installation systems from Villeroy & Boch

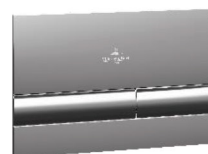

- + Installation system for WCs
- + Dry-wall element

### Technical advantages

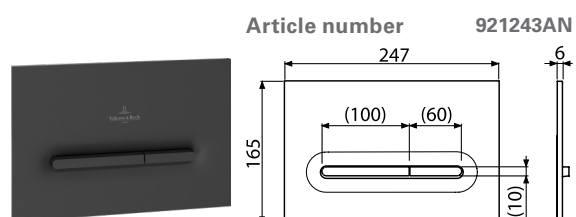

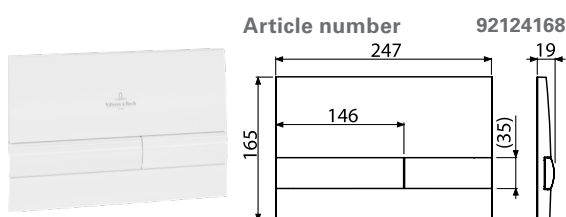

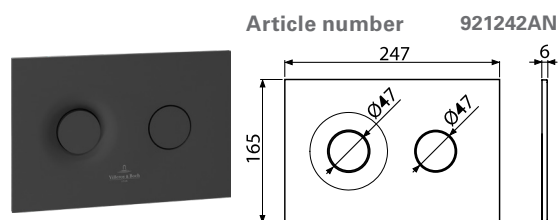

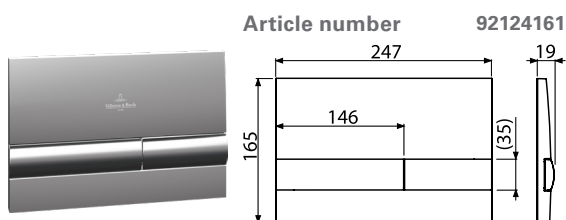

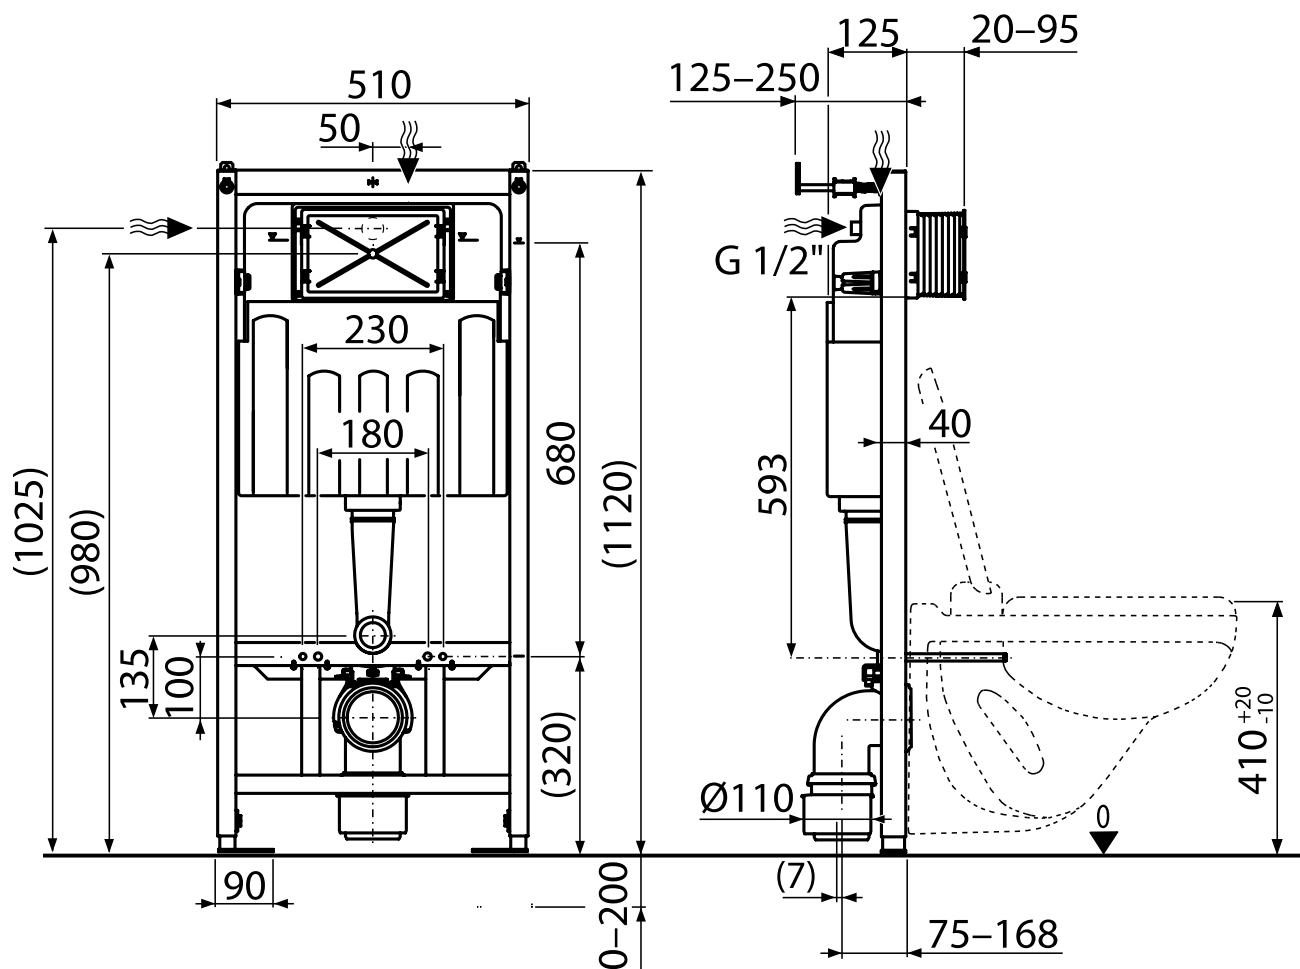

- + Frame with 510 mm width, height 1120 mm
- + 30x40 mm square hollow profile, powder coated
- + Condensation water insulation up to the height of the water level
- + 2-component cistern frame holder with sound insulation properties
- + Integrated vertical power struts for secure installation of all wall-hung WCs
- + Adjustable feet allow optimal height adjustment
- + Replacing EPS with an installation box made of plastic panels
- + Pre-set flush volume 4.5L / 3L
- + Convertible in the range of
  - Half flush 3 to 4 L
  - Full flush 4 to 6 L

### Known Villeroy & Boch quality

- + Safest choice for combination with Villeroy & Boch ceramics thanks to regular internal product tests and optimized interfaces
- + All products "Made in European Union"
- + Extended warranty coverage 25-year aftermarket spare parts warranty

## 92124400

A modern bathroom featuring a black, wall-mounted shower toilet. The toilet is sleek and rectangular with rounded edges. Above the toilet, a white rectangular control panel is mounted on the wall, displaying various icons for different functions. To the right of the toilet, a black rectangular panel is mounted on the wall, likely for bidet functions. The wall is a light, neutral color, and the floor is made of light-colored stone tiles. A dark brown cabinet is partially visible on the left side of the frame.

# ViClean - I200

## Discover your new comfort zone

With the ViClean-I 200, Villeroy & Boch extends the offer of shower toilets:

ViClean-I 200 cleans gently and thoroughly with warm water and, thanks to its retractable dryer nozzle, does not require any paper at all. It impresses with many comfort and hygiene features that are intelligently integrated into the award-winning design – invisible from the outside.

### Unique and elegant design

- + Elegant lines with a flat lid
- + Precise workmanship with added quality thanks to the combination of high-quality materials (Ceramic – Duroplast)
- + InvisibleJet technology: both nozzles are perfectly integrated into the panel, making it hygienic and easy to clean

### Maximum Hygiene – for both, you and the WC

- + HarmonicWave shower technology: oscillating and rotating movements combined – treats you to a pleasant clean feeling and invigorating freshness
- + Individual adjustment of the water temperature, water flow and shower nozzle position
- + Automatic cleaning of the shower nozzle
- + Rimless DirectFlush toilet with dirt-repellent CeramicPlus surface

### Maximum Comfort due to additional features

- + ComfortDry: once activated, the retractable dryer nozzle extends and dries more effectively and more efficient than a simple dryer fan
- + WC Seat heating: pleasant warmth, individually adjustable in 5 steps (30 - 38 ° C)

### Improved handling and efficient maintenance

- + Integrated user detection prevents accidentally starting the washing or dryer function while cleaning or maintaining the toilet
- + Very simple and intuitive to use via Remote Control or App
- + Integrated mounting aid in the packaging ensures quick and easy installation
