**“Furniture Tailored for You,
Designed for Forever”**

Exclusive Custom Furniture & Luxury Home
Design — Egypt

About Us

Founded in 2020, Cozyology Furniture designs and crafts made-to-order furniture and bespoke interiors across Egypt.

We combine premium natural materials, careful craftsmanship, and a concierge-style process to deliver furniture that's tailored to your space and lifestyle.

We ship and install nationwide with professional after-sales support.

- Headquarters: Cairo, Egypt (serving all governorates)
- What we do: Custom furniture · Tailored interior design · Fitted joinery · B2B furnishing
- Built for Egypt: End-to-end service, from measuring and design to delivery and installation.

“Made-to-order means everything is built for you—from size and fabric, to wood tone and function.”

› **Our Mission**

Elevate everyday living through custom furniture and thoughtful interiors that fit perfectly and last.

› **Our Vision**

Be Egypt's most trusted partner for personalized furniture and design—effortless, elegant, and truly tailored.

› **Our Values**

Craftsmanship · Integrity · Personalization · Reliability · Sustainability (natural woods, durable fabrics)

Fitted Furniture & Wardrobes

We design and install fitted joinery—wardrobes, wall systems, and built-ins—made to your exact dimensions and storage needs. Our crews prepare off-site, then complete on-site fitting with minimal disruption.

Recommended specs:

- Wardrobe depth: ≥ 60 cm
- Height and width: tailored to ceiling and room proportion
- Interior: adjustable shelves, drawers, hanging rails, soft-close hardware

Sustainability & Care

- Natural woods and breathable materials
- Durable, repairable construction
- Care guides provided for wood finishes, cane, and outdoor fabrics
- Refurbishment & component replacement available for long product life

B2B: Trade & Projects

- We partner with developers, architects, design studios, and hospitality brands to deliver contract-grade furniture and turnkey spaces.
- **Advantages:** Volume pricing, tailored lead times, dedicated account manager, sample library, CAD support.
- **Typical Sectors:** Residential compounds, serviced apartments, cafés & restaurants, boutique hotels, offices & lounges.
- **Documentation:** Spec sheets, finish schedules, warranty letters, maintenance plans.
