Poliform

Poliform is one of the famous Italian brands that is currently a leading player on the international furniture scene. Poliform has always based its vision on the search for quality by updating its lines in keeping with all that is good in contemporary lifestyle trends. The Poliform collection is set out as a wide diversified choice and includes systems and furnishing accessories for the whole house: bookcases, complements, wardrobes, beds, kitchens, sofas and armchairs.

Mondrian

A sofa system with a light and sophisticated vibe, Mondrian is open to free stylistic interpretation, with a minimal suspended frame conceived to be combined with a wide range of accessories.

Wall system

Allows for a wide range of design solutions for a library, entertainment center or the most sophisticated wall unit. The system is completely freestanding and adapts to all architectural environments.

Mad king

A slender image that takes on a brand new appearance, determined by its asymmetrical composition: Mad King is a tall armchair in which one of the arms can be replaced with a fine and useful wooden tray.

Kensington

Imposing in proportions, sober and viscerally sculptural thanks to the typical structure of an art foundry and at the same time a welcoming reception table. Kensington, design Jean-Marie Massaud, is above all an object that conveys strong emotions.

Stanford bridge

New dining chair that is characterized by the natural elegance of Stanford stems from the lightness of its design: a thin, enveloping shell, like a dress on a slender frame of die-cast aluminium.

Phoenix

An exclusive model where all the kitchen units are inspired by pure and essential lines to achieve a rigorous design project.

Rever

The ideal presence for large spaces with an imposing headboard that recalls the lapel of a jacket, an upturned collar. A style that re-appropriates the past with an eye on the present for an increasing individual aesthetics.

Onda

Night collection, designed by R&D Poliform, derives its style from natural sources. Designed with wood and natural stone surfaces complementing its traditional concept.

Bangkok

An exclusive and elegant wardrobe designed by Operadesign, where it's characterized with its unique hide leather finishing and sophisticated stitching.

qeeboo

Qeeboo is the next generation brand conceived by Stefano Giovannoni with products designed by Andrea Branzi, Front, Richard Hutten, Marcel Wanders and Nika Zupanc. It is an Italian brand based on innovative criteria: its main reference point is the web, which is used to shorten the distribution chain.

“Giraffe in love”

is the new product born from the collaboration between artist/designer Marcantonio and Qeeboo.

“Giraffe in love” represents irony and lightness: the giraffe is in love but she does not know it yet because her heart is far from her head and she lives love light-heartedly.

“Kong”

Giovannoni's Kong is, surprisingly, technological and almost human. It shines in front of itself just as if the power went out. It's out of scale to be a toy, out of scale to be a lamp, but it is also out of scale to be a gorilla. Kong becomes a powerful object, with an adjustable arm to direct the light beam at different angles.

“Rabbit Chair”

A pop icon, a symbol of love and fertility, which brings good luck and good wishes. The idea of the rabbit, a gentle, lovable and shy animal, comes from the association of its silhouette with that of a seat, where the rabbit's ears become the backrest of the chair.

Gufram

Gufram is a handcraft workshop that speaks to Italian inventiveness. With its experimentations tied to aesthetic, innovative and materials research, it creates seats and furniture that have made the history of design. Today they are treasures of the foremost imperative museums around the world and the foremost unique houses on the planet.

Pratone seat

Long green stalks among which we can sink and lie, it is an unconventional seat, a chaise longue outside tradition values, a portion of garden deliberately out of proportion.

Zipped Lips

Zipped Lips sofa shaped as a pair of sexy lips. It comes with two more products that see Gufram take on the use of leather for the first time, without ever renouncing its radical approach.

Cactus

Cactus is the icon of Italian design that has revolutionized the domestic landscape, by subverting the borders between indoor area and open space.

Bocca sofa

The iconic lips, which for the occasion are dressed up in an unprecedented, more material & structured fabric.

Magritta

Magritta is a sculpture-armchair, homage to Surrealism. The green apple and the black bowler hat, recurrent figurative elements in the works of René Magritte, are assembled by the visionary imagination of Sebastián Matta into a new seat, realized in polyurethane foam and covered with cloth.

Jolly Roger seat

Jolly Roger, consistent with the attitude that unites all Gufram's products, is an armchair that represents a gesture of demand for freedom; it is synonym of intellectual independence that follows a courageous path, and goes away from the dry standardized types of interior design projects.

MM Lampadari fuses past, present and future, creating lamps with enduring style, highly contemporary experimental designs, one-off items and exquisite bespoke creations.

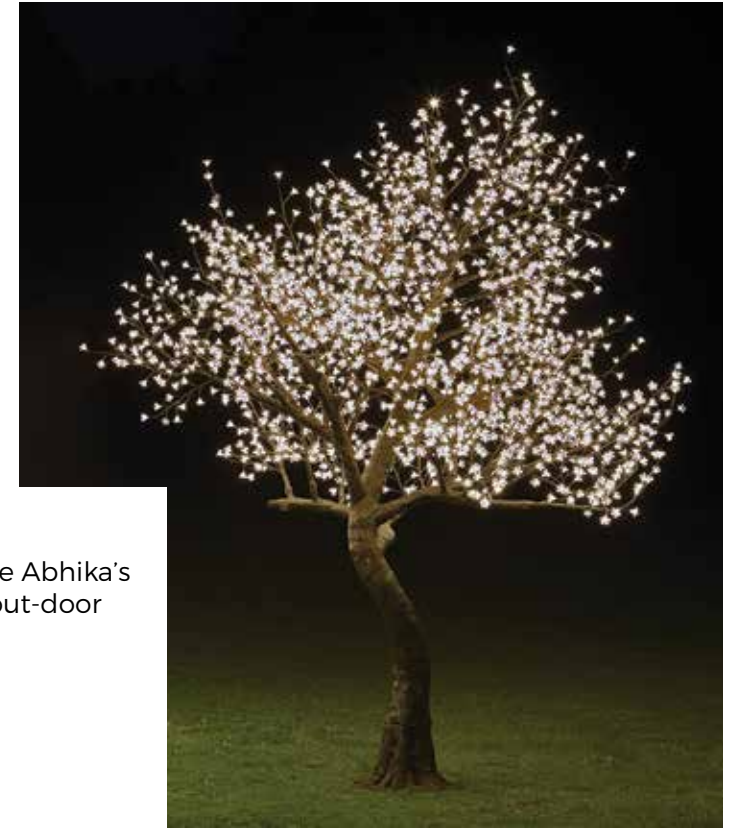

The leaf

Inspired by nature and harmony of spaces, Leaf has a light structure, result of an accurate planning research. Different from every other styles it blends into both classical and contemporary spaces.

Apple tree LED

The unforgettable scenarios of the Abhika's Led Trees that perfectly blend in out-door and in-door.

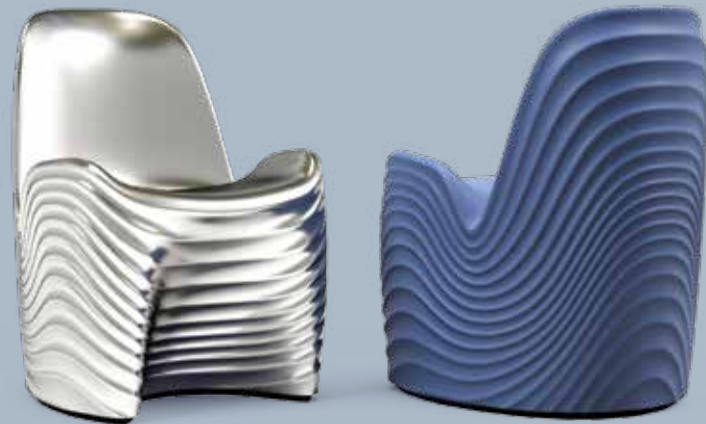

Wall&decò

Wall&decò is an Italian wall papers brand that was born from an intuition of Christian Benini, founder and creative director of the brand. The growth recorded over the years has never changed the artisan vocation for a one-of-a-kind product, made to measure and conceived according to a purely Italian taste able to provide every customer, from the well-known professional to the pure passionate, with constantly new decorating solutions.

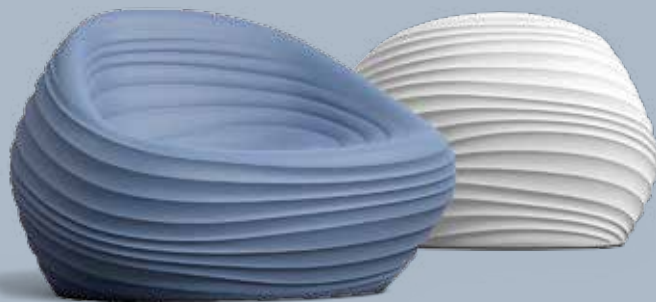

TONON

Since 1926 Tonon is a well-known international brand in the world of seating, reliable and synonymous with design and quality made in Italy. Characterizing features that come from the past: their origins date back to the twenties, include years of careful and creative manufacturing. Even after the industrialization of the fifties, the pleasure of thinking and making never ended.

River chair

River chair's organic design with 3D geometry is inspired by the nature. Its sculptural shape and organic curved lines resemble the pattern of waves in the sand, sculptured by wind and water.

Riverside

The lounge riverside gives a pleasant sensation of softness and comfort, it's very easy to move and is waterproof. The material called soft touch plus is a bi-component molded polyurethane.

Silhouette book shelf

The organic growth of a tree has inspired Stefan Heiliger by creating "silhouette". The aesthetic basic idea was to add some organic elements to the horizontal and vertical structure of a bookshelf. The inspiration comes from the growth of the trees: branches that, seeking the light, deviate from the vertical line.

Signature

Signatures fits perfectly every location, both the dining room and the high-end restaurant. Signature has a wide range of luxurious seating solutions which includes the small chair, the oversize chair and the barstool with upholstery in modern style or more classical as the capitonnè.

Up wooden arms

An innovative material and the craftsmanship in the wood manufacturing have created an authentic masterpiece. developing a new version of the best-seller Up-chair created in 2012 by Martin Ballendat

edra

Edra was born in 1987 in Tuscany. Today it is known all over the world for the absolute quality of its products, that join artistic tradition, technological research, high manual expertise, and very high-quality materials. Edra creates exclusive, unmistakable, and timeless products since always that remain a heritage forever.

Standard

A sofa that allows maximum comfort because of its key element, the "smart cushion". Standard is the result of years of technological research to produce an exclusive sofa that perfectly fulfills the wishes of the users. Its backrests and armrests have lost any stiffness and can be molded as desired with a flick of your hand: low, high, oblique, enveloping, and functional.

Cicladi

Low tables with alabaster top and irregular jagged edges, available in different heights and colors. The ever-changing veins, facets, and dimensions of the alabaster make each of these tables a unique piece as seen from above, they resemble islands.

Cipria

A sofa is composed of nine structural cushions that resemble powder puffs attached to an invisible metal tube frame. Thanks to the stuffing in Gellyfoam®, synthetic wadding, and the ecological fur covering. It is soft to the touch like a caress.

Gina

Play of light and see-through for this chair that has seat and back formed by a single thread that makes a precious handmade embroidery in poly-carbonate. Each piece is elegant and lays on four removable legs made of wood and painted in semi-gloss black that perfectly fits in an ancient or contemporary setting.

Vermellha

Innovative Wrap-around armchair, created by the overlapping of five-hundred meters twists in special rope with acrylic core, on the base of the steel frame.

Getsuen

Armchair lily-shaped, delicate in appearance, but hiding a solid steel structure modeled by hand. It is a result of high technology combined with performance skills.

Varaschin

Since 1969, the bond between traditional craftsmanship and modern aesthetic solutions characterizes Varaschin, a venetian company leader in the outdoor market. The weave, once of rattan and wicker now of synthetic materials more suitable for the outdoors, has always been the soul of Varaschin production, a unique stylistic feature and synonym of quality.

System star

Star table is the natural evolution of the System collection; the rhomboidal shape of the legs intertwined in a play of lines, full and empty, with a light but characterizing presence.

Smart

Smart armchair perfectly meets the contract market demand: it is lightweight but extremely durable, highly manageable and easy to stack for transport or storage. Suitable for a wide range of convivial and dining situations outdoors, it is ideal for the contract market.

Bento

The sofa of BENTO collection is characterized by the possibility to create multiple combinations. This allows a constant personalization for the customer, that can choose according to its style and needs.

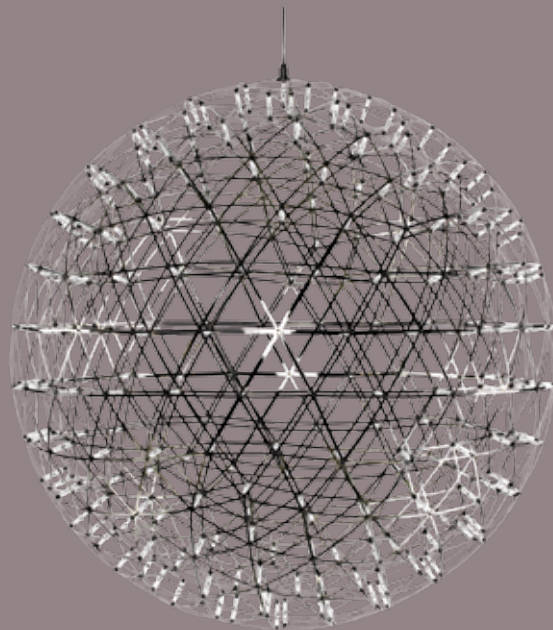

m o o i

Moooi started in 2001, promising to each other become a legendary brand. They developed their own fresh approach to product and style. Exclusive, daring, playful, exquisite and based on the belief that design is a question of love. Not asking designers what to do, trying to realise their dreams. Eclectic and always on the edge of commercial reality and cultural interest. To trigger, to create conversation pieces which make your environment more special.

Raimond

The Raimond lights: perfect spheres of mathematical ingredients punctuated by tiny LED lights. The transparent lenses are specially detailed to spread warm white light in every direction.

Horse lamp

Who wouldn't want a horse lamp to light up their home? Furniture to fall in love with at first sight.

Rabbit lamp

The Rabbit lamp by Front is faithful to the true dimensions of the animal bringing a touch of nature in fairytale style and genuine madness.

Party wall lamp

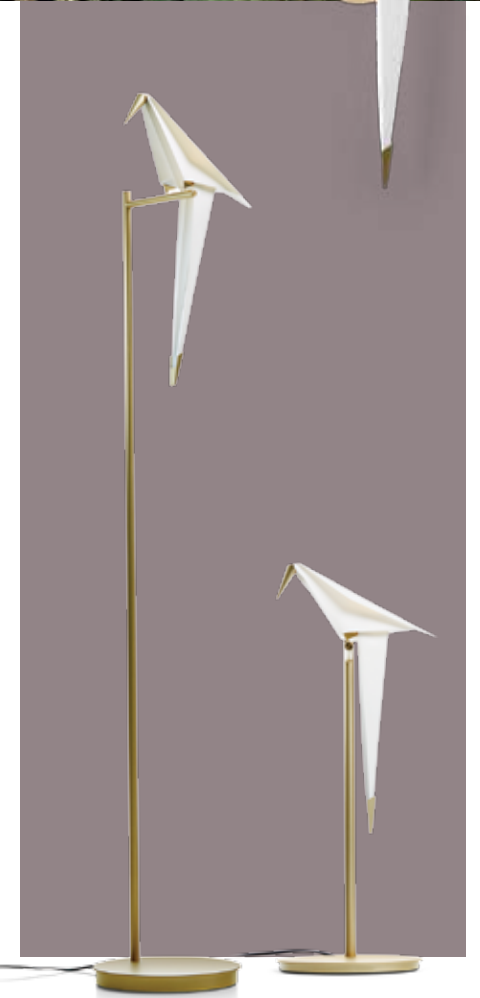

The Party' is inspired by a clan of strong, captivating personalities. Their casted ceramic faces bring to light our fascination with secrets, family dynamics and intrigue. If seen together, as a splendid party, they brighten up the stage with their cool playfulness.

Perch family
