

SPOSTALUCE SYSTEM

ANYWHERE YOU WANT

It doesn't matter where the connection to the mains supply is located; all you need to do is connect the cables and then position Spotaluce anywhere on the wall.

CUSTOMISABLE

Create original and contemporary interior lighting designs on the walls and ceilings with the round and twisted electric cables and metal finishes of Spotaluce.

CHOOSE YOUR STYLE

Minimal, vintage or industrial: each of the metal finishes available lets you create your preferred home decor style.

Spotaluce Lamps

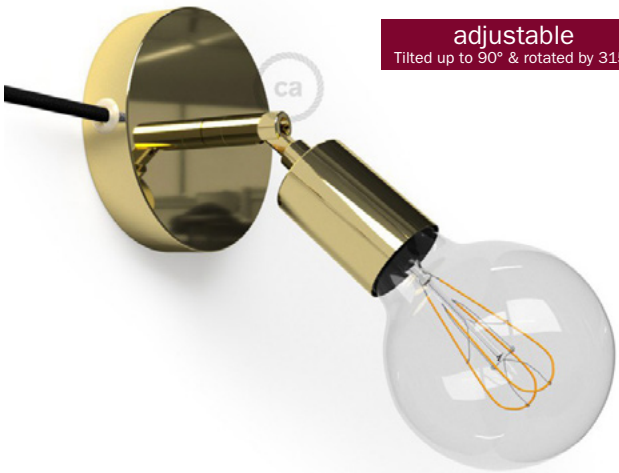

Ready to use with many different colours and fabric textile cables from Creative-Cables. Spotaluce are the light points that will allow you to take the light source wherever you want, no longer having the issue of where the connection is to your electrical circuit. Available in many versions and finishes, with Spotaluce it will be possible to create light installations both on the ceiling and on the wall. Each Spotaluce lamp includes a 2x0.75mm textile cable 3 metres long. You can buy them with the cable supplied in the versions designed by us or customize their colour and length according to your needs!
