PORTOFINO BUFFET

The Portofino Buffet makes simple storage beautiful, as the lean lines and shapes of the design present an art statement to the overall context. A functional piece of work that combines metal, wood, marble, veneer and lacquer, the buffet forms an exceptionally practical and elegant addition to your space, while accentuating the surrounding accessories to finish up a final look that reflects good taste and strong presence.

CORTINA ARMCHAIR

With an extraordinary mix of durability and style, this armchair offers a distinctive slim design and provides exceptionally relaxed seating, thanks to its headrest support and high-quality padding. Embedded with distinctive Aperta stitching, even the slightest of details were put into consideration, including the lean metal base design and its customizable nature.

SANREMO ARMCHAIR

For a relaxing and chic experience, the Sanremo chair is an elegant addition to your living area. Offering a mixture of extreme comfort through its special padding, and a contrast in design through the significant straight lines of the armrest and curved lines of the back, this is a chair like no other. This piece is also customizable according to your taste, as you mix and match colors, fabrics and leather, creating a piece with your standalone identity.

CAPRI COFFEE TABLES

FIRENZE DINING TABLE

A meticulously crafted Italian centerpiece, the flying marble tabletop reflects sophistication and art. Boasting a combined bridge-like design of marble and metal, with a variation of finishes and shapes. It stands on distinctive metal base slim cone with marble center, this dining table guarantees a standout piece of furniture.

SANREMO FLOOR LAMP

Is an original contemporary Lamp set design that will accentuate your space, has with a globe-shaped design. This is supported by lean distinctive plated metal tubes, creating a flowing feel that adds to the delicacy of the light set, with a flexible choice of single or double display.

SANREMO TABLE LAMP

The globe-shaped contemporary design of table lamp is available for minimal displays. Surrounding the single globe is a round structure of a lean metal tube, simplified to suit your table display. In addition to this, the lamp is accentuated with the rich addition of a marble piece which you can choose from our exquisite marble collection.

SANREMO SUSPENDED LAMP

For a significant modern addition to your space, Sanremo suspended ceiling lamp has a strong identity that speaks for itself. The geometrical straight metal lines are complemented with your desired shade of metal, and the glass shaped globe boast a non-symmetrical, and attractively neat design.
