BELLAGIO ARMCHAIR

Pride, confidence, and solitude. Our chair and banquette set creates a safe haven within your home. As you luxuriously enjoy a good rest on its utterly comfortable and durable padding, you can also enjoy the elegantly refined look of a full cover of your choice of fabric or leather. This is all enhanced with unique Aperta stitching, providing you a true moment of privacy and relaxation.

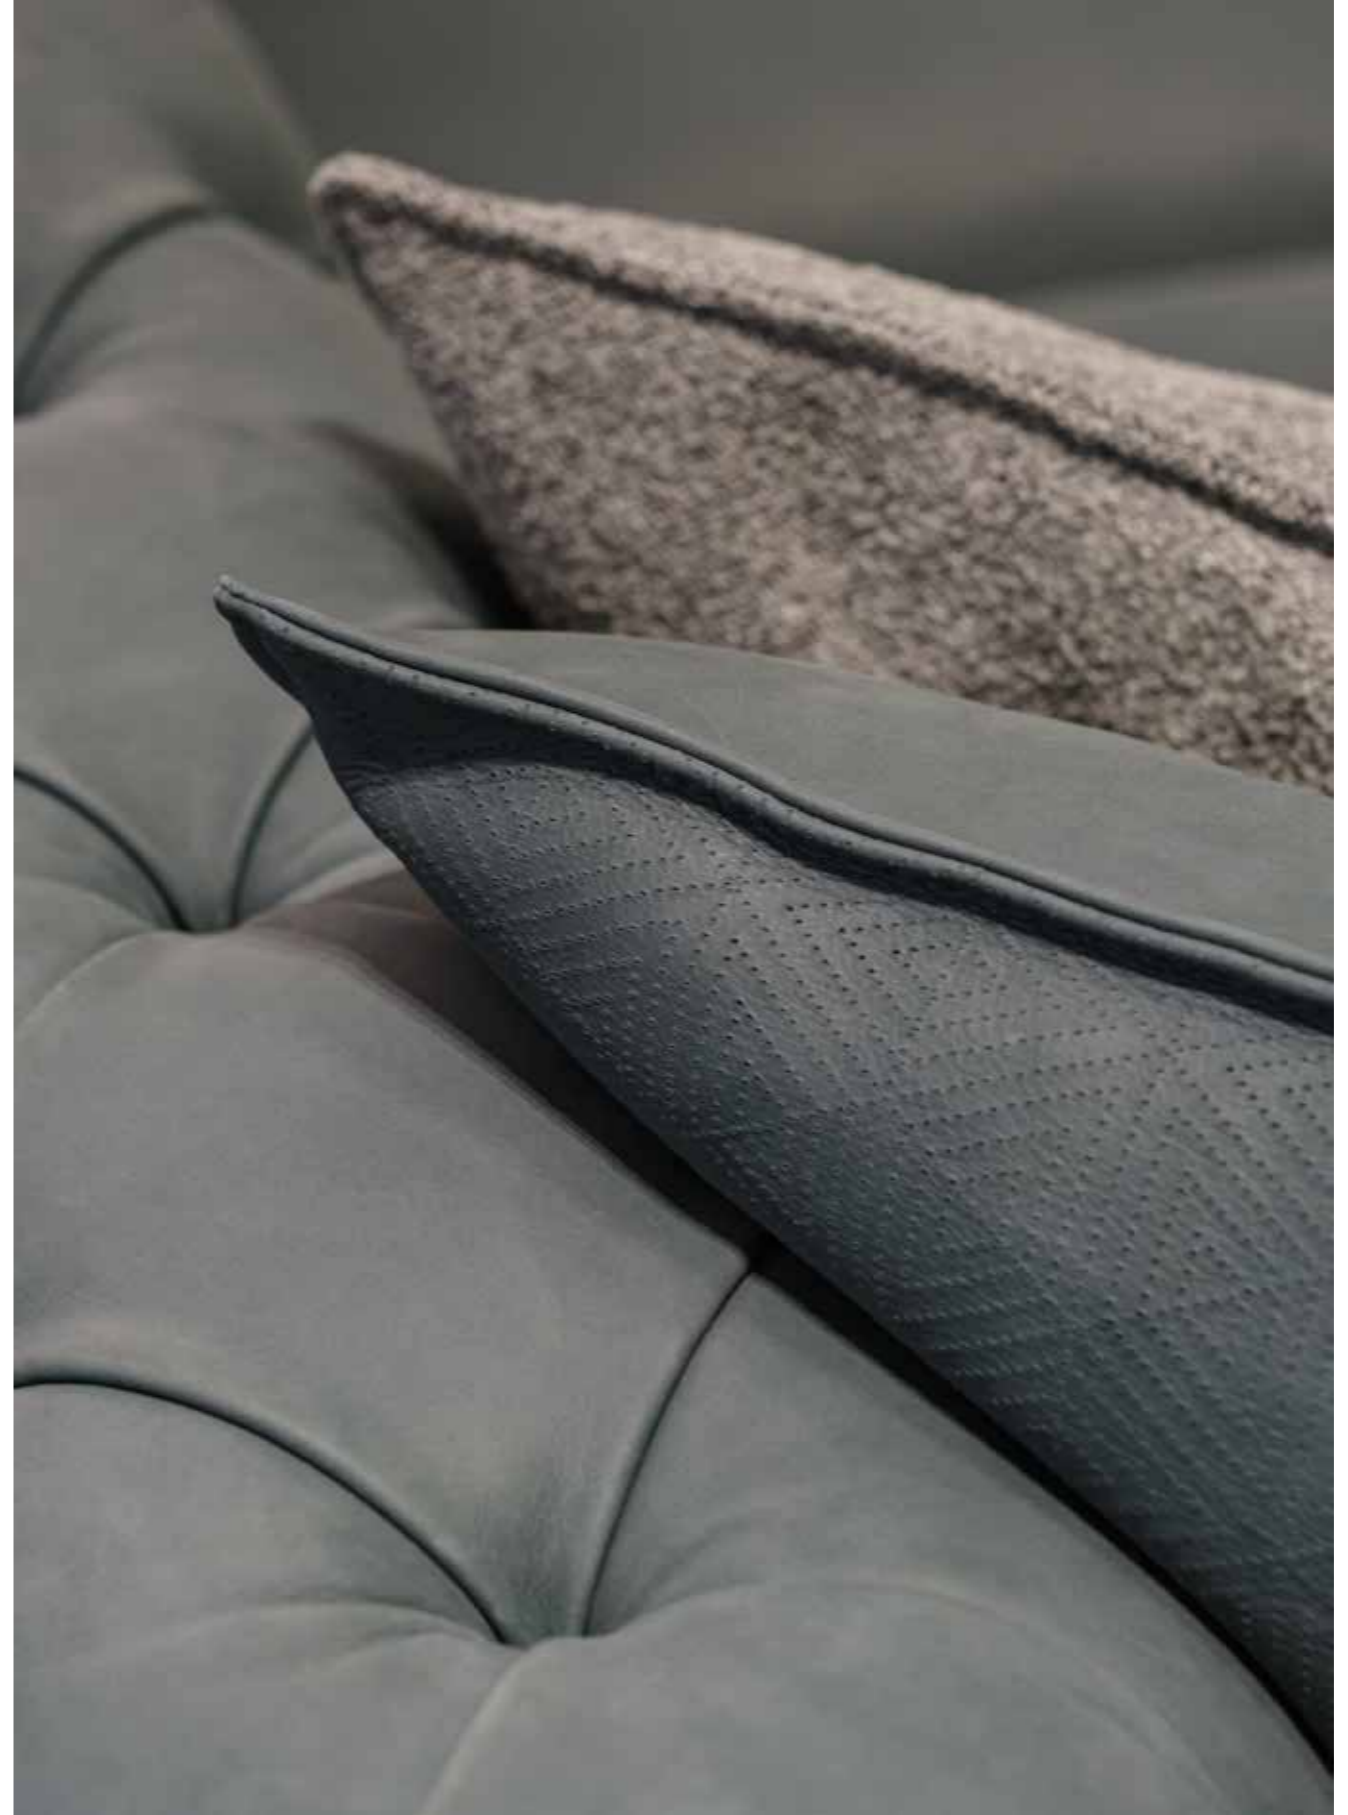

GEORGE SOFA

The George sofa is an iconic piece brought to life with Italian craftsmanship and design delicacy. Distinguished by the double-sided Capitone buttons, tapered low base and Pizzicata stitched cushions, you can further personalize the sofa to your preferences in both taste and dimension.

FIRENZE TV UNIT

For a chic and functional living space setting, the TV unit comes in diverse distinctive materials of your choice, as well as an exceptional back integration of marble, veneer, or painted wood. Establishing itself as an impressionable centerpiece, with functional push-to-open drawers and a slim metal structure, this tv unit offers a mix of both sophistication and functionality.

PORTOFINO WALL LAMP

For a conversational addition to your collection, the globe-shaped Portofino lamp presents Italian design at its finest, with its recognizable metal shape surrounding the glass globe and your choice of metal color from our collection. Offering a wide range of diverse options of display, you have the freedom to create your design and set up, available as a single or double globe set.

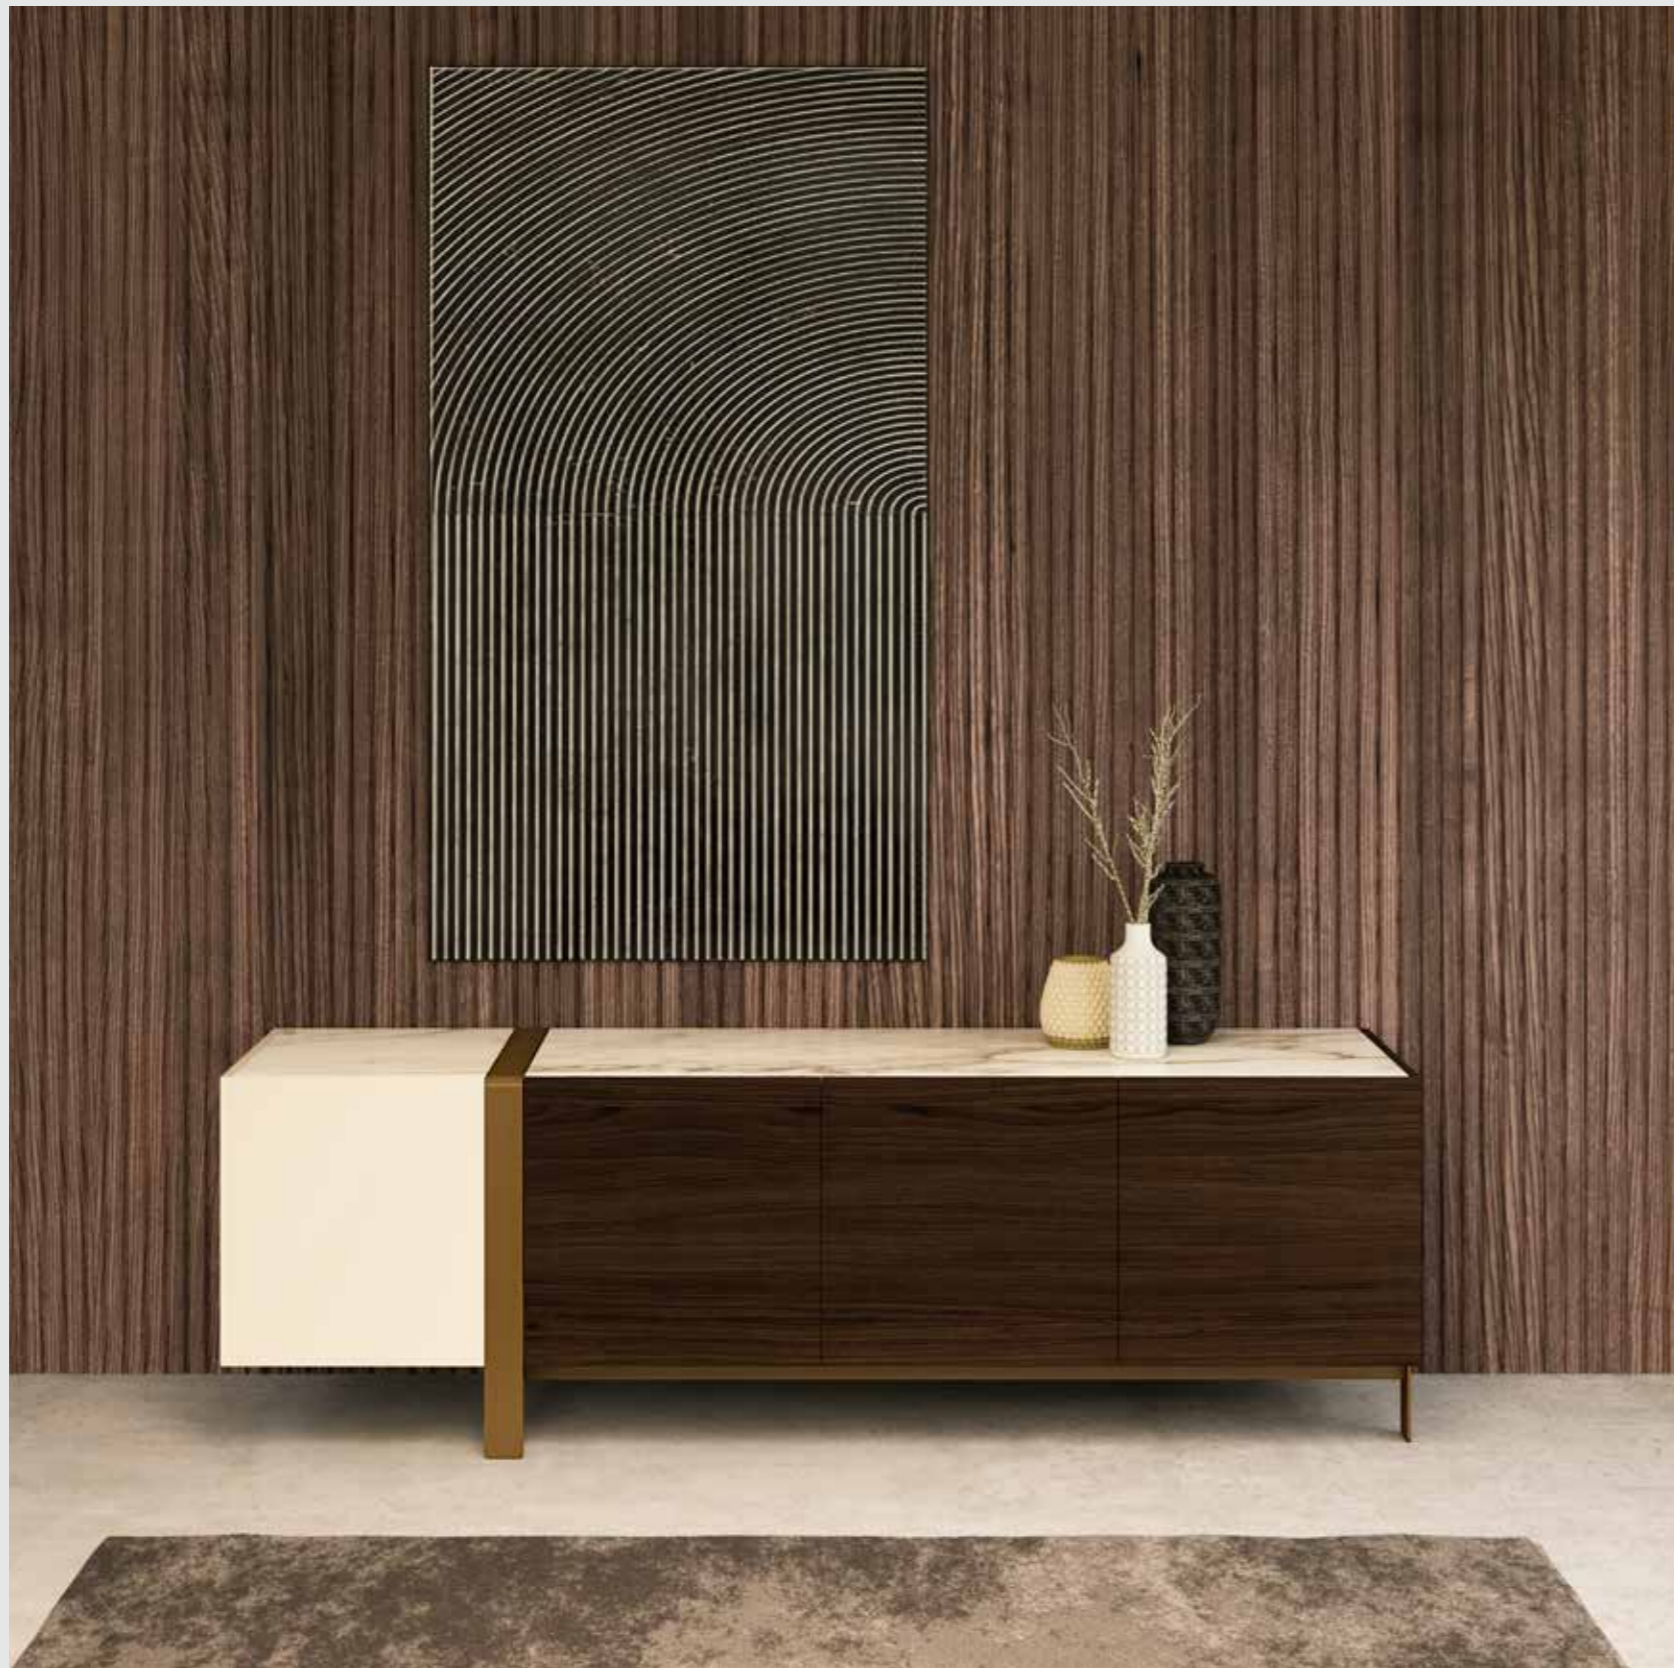

FIRENZE DINING TABLE

Aiming to impress and inspire, these outstanding pieces of furniture with contemporary twist are made of the highest quality materials. With the Firenze table as the masterpiece of this display, rest assured that you are in the presence of a luxurious lifestyle that has a unique mix of elegance and coziness. The Portofino buffet is harmonious with the modernism of the Portofino lamp set, adding exceptional Italian essence to your everyday life.

PORTOFINO BUFFET

Creativity combined with deep knowledge of materials offers this exquisite piece of Italian furniture. Inspiring luxury, class, and functionality in interior design, this piece reflects the excellence in craftsmanship and the designers' broad vision.

PORTOFINO CABINET

The elegance of the Portofino Cabinet is also present in the internal design, with an exquisite luxurious feel delivered through the refined addition of the internal lighting. In addition to this, the cabinet presents a sophisticated display of accessories and organized storage, a set of elegant glass shelves and a sophisticated addition of side wooden space saving pockets, as well as a set of concealed push-to-open drawers for neat storage display. Its doors are supported with soft closing hinges, in addition to offering you the liberty of matching colors and materials according to your own taste.

CAPRI COFFEE TABLES

The marble table, with its unique modern design, is a conversational piece that is offered with your choice of material combination. From the rich marble top to the distinct woodside and metal side layout, the recognized roundness of the table design is refined with a metal finish. This table is available in two different shapes according to your preference, creating a multi-functional artistic centerpiece.
